

curiouscity. Scavenger Hunt: Chicago Eats Edition

Helpful Hints

1. Submit your team name and let us know the names of everyone on your team [here](#): (Even if you are a team of one).
2. Make sure all team members complete the [waiver](#) emailed to them. No exceptions.
3. Download the [Eventzee app](#) and create one username and password per team. Each member of your team will share this login/password so points are attributed to the right team.
4. Get familiar with the [Eventzee app](#) ahead of the hunt. Helpful FAQs can be found [here](#).
5. Look out for your team's game code, to be emailed to the team captain after registration.
6. Get familiar with names and boundaries of [Chicago's community areas](#). You'll need to rely on these to complete the hunt.
7. Learn how to complete community area challenges using the Eventzee app.

8. Learn how to submit photos with the Eventzee app.

9. Learn how to submit a [Curious City question](#) for bonus points.
